Cranberries

Description

Raw cranberries are glossy and scarlet red in appearance, firm in texture with a bitter, starchy and tart flavor. Once juiced, cooked and processed, cranberries display the perfect sweet-tart ratio that is both quenching and nostalgically satisfying.

Product Highlights

Synonymous with winter menus complimenting holiday dishes both sweet and savory.

Cranberries are well known for and continue to be heavily researched for the health benefits they provide.

They are loaded with antioxidants.
