MERCHANDISING

- Promote fresh meal kits in the grab and go section. Use shelf tags or other POS to make kits stand out.
- Place on front endcaps to increase exposure at a glance.
- Set up meals kits in meat and deli cases. Make sure the focus is on *Fresh.*
- Create a meal kit destination center with other like products.
- Promote availability on social media and in print ads.
- Offer in-store cooking demos and sampling to attract new customers and build shoppers' confidence in the brand.
