

FRESH
IN SEASON

Jazz™ Apples

The Jazz apple is a cross between Royal Gala and Braeburn. It is dense and juicy with an exceptionally crisp taste. The color is flushes of red and maroon over shades of green, yellow and orange.

HIGHLIGHTS

- Its antioxidants help prevent Alzheimer's disease, lower cholesterol levels and prevent certain cancers.
- Holds up well when baked, maintaining both their sweet flavor and crisp texture.
- Stays fresh and crisp longer if kept cold.
