# BUDDHA'S HAND

Buddha's Hand is a distinctive-looking fruit that has long, finger-like protrusions from its base. The fruit can be green or yellow. It has a white flesh that is inedible, but its skin is used for zest as it offers a bittersweet flavor.

## HIGHLIGHTS

Symbol of happiness, longevity, and good fortune in Chinese and Japanese cultures.

A great substitute for citrus zest in salads, dressings and more.

The aroma of Buddha's Hand is fresh and citrusy, use it throughout your home as you would lemon.
