BUTTERSCOTCH PEARS™

Melissa's Butterscotch Pears™ are the world's most refreshing fruit - juicy, crispy, sweet and satisfying. From growing to harvesting to shipping, these pears receive every luxury to ensure perfection, and that perfection comes through in the fruit's flavor and appearance.

ATTRIBUTES

- Product of Korea
- Available late Nov. - March
- Bright white flesh very slow to brown
- Extremely crispy and juicy with a small core
- Hand-wrapped, hand-harvested and hand-packed in Euro trays
- Large fruit is often shared sliced, and is also great for salads, cheese trays and desserts
