

# FLAVORED PISTACHIOS

Perhaps pistachios have the perfect taste profile to add delicate flavoring to, or perhaps the all-natural flavors are just that good, but either way, Setton's flavored pistachios have been creating a buzz since they were first introduced in 2000.

Setton's flavored pistachios are all natural and available in five flavors. Consumers can choose from Chipotle BBQ, Chili-Limon, Garlic Onion, Jalapeno and Salt & Pepper. Such a variety of flavor insures there is truly something for everyone.

Packed in 7 oz. film bags, Setton's flavored pistachios appeal to a broad audience and can be packed in Setton's promotional bins or packed out on their own.
