

FRESH
IN SEASON

SWEETIE SWEET ONIONS

Description

Sweetie Sweet onions are known for their perfect balance of sweetness and pungency. Grown only in the USA, they are certified by the USDA for being pesticide free. Sweetie Sweets follow the Vidalia onion season and are an excellent onion to transition into for the fall and winter.

Highlights

Excellent farm-to-store freshness.

Have an extended shelf life that can't be matched by imports.

The product of a unique and refined seed variety.
